ABOUT US

Since the family started this company in 1965, Deltran Battery Tender® has taken great pride in designing, manufacturing, and distributing technologically advanced products that meet the ever-changing needs of our worldwide customers! Our strategic initiatives have continued to focus on innovation and customer satisfaction.

Our history of reliable products spans far and wide from chargers to jump starters to accessories and more. Time and again, Battery Tender® products have proved their worth, saving vehicle owners countless dollars in replacement batteries whilst eliminating frustration and headaches along the way. We're thrilled to be the #1 battery charger brand for collectors, dealers, and fleet owners worldwide and we will work tirelessly to continue offering products that exceed your expectations.

WHO WE ARE

Deltran is a global tech company specializing in creating products for the Automotive, Power Sports, and Marine segments. Brand products are created with you in mind and leverage technology to innovate. Our products will make your lives easier, inspire and keep you safe.

At Deltran, performance isn't just a business, it's a way of life. Long after the final sale, our commitment to service lives on. We are constantly striving to improve every element of our business; from the products themselves to marketing and distribution. As the world advances, we remain state-of-the art with innovative designs and technologies.

Trust

Since 1965 our company has been built on trust. Reliable, performance, customer service, fairness, and respect for the customer is what makes up the Deltran DNA.

Innovation

Innovation is about solving problems and creating solutions for customer needs. From concept to completion, our goal is to exceed expectations with state-of-the-art products and services.

R&D

We pride ourselves on in-house research and development. From market research, industrial design, engineering, to testing and compliance. Our team can and will design products customers want..

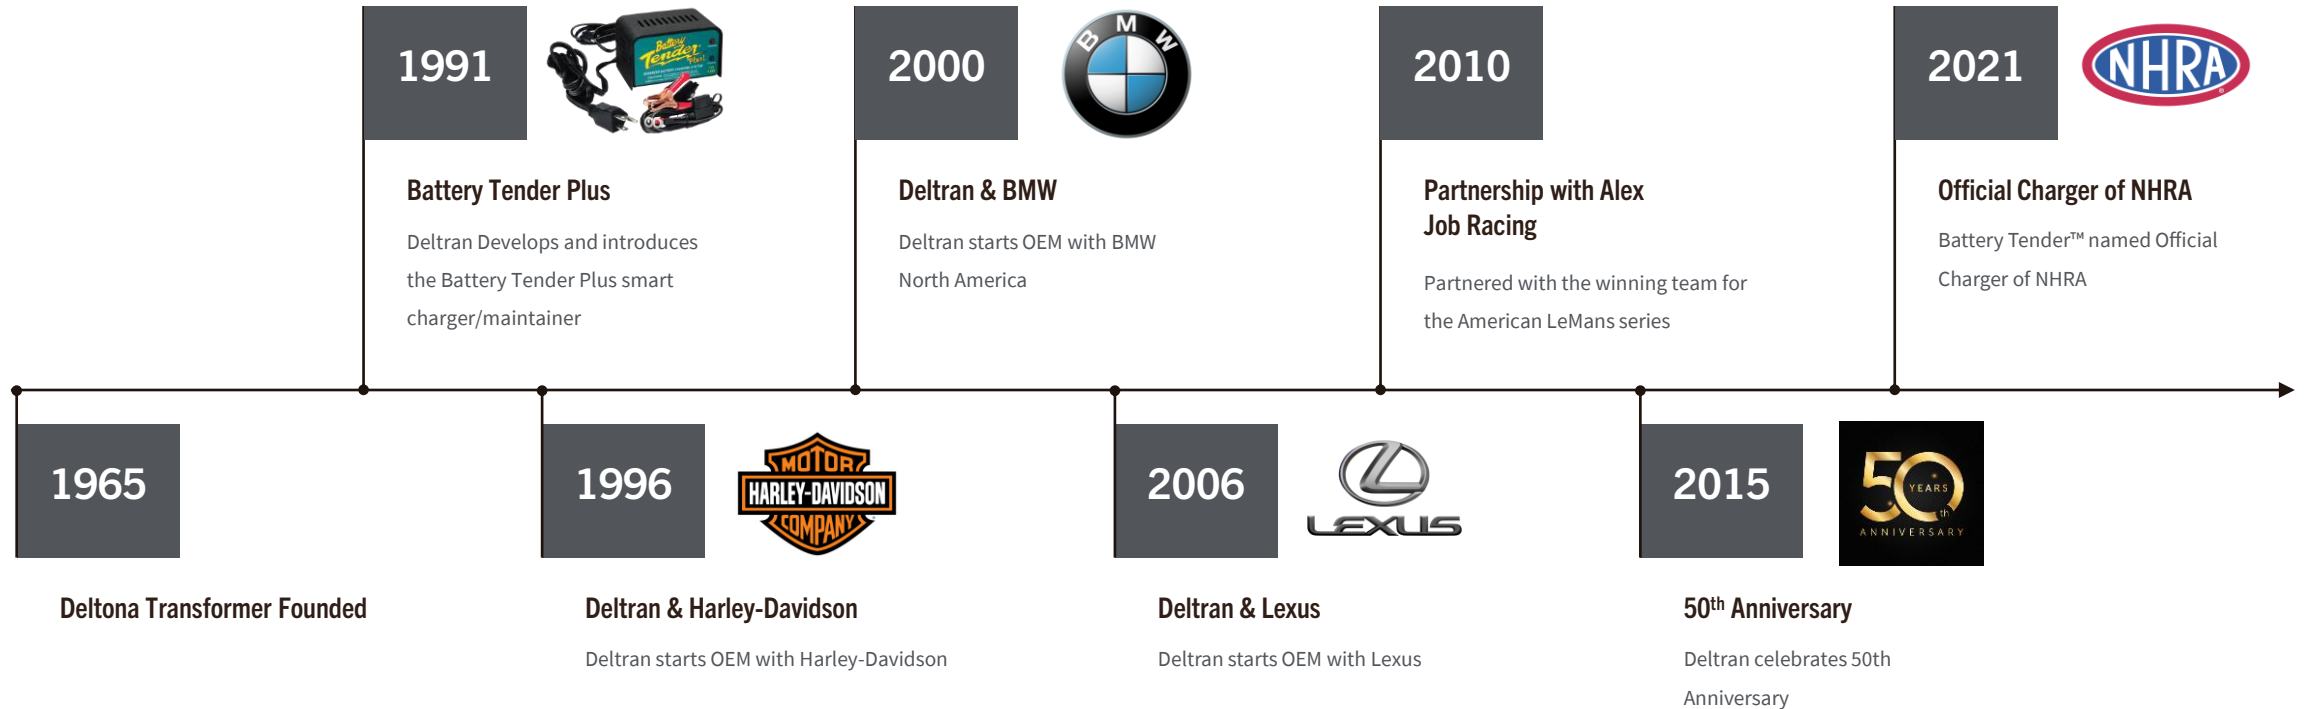

Value

Our strategic initiatives have continued to focus on innovation and customer satisfaction..

OUR HISTORY

- #1 Brand in North America with over 65 years of innovation
- Unparalleled Trust
- Longstanding OEM Partnerships with Trusted Brands
- Business Solutions (outstanding customer service, category management, marketing tools, etc...)

PREMIUM BRAND STRENGTH

VALUE

- *"Keep making quality products and supporting the PowerSports industry and dealers."*
~B2B PowerSports customer
- *"Thank you for an outstanding job, and keep up the great work."* ~B2B PowerSports customer
- *"Keep up the good work! Don't cut quality for price. Reliability is everything!"* ~B2B PowerSports customer

I'm very satisfied with Battery Tender. I hope they maintain their current performance.

- *"I used to buy three jet ski batteries a year. They would always go dead in winter months. With the battery tender, I did not have to buy a battery in three years. Saving \$\$\$\$\$."*
~B2C automotive customer
- *"Competitive price to lead batteries."* ~B2C PowerSports customer
- *"Value. I.E. price to capacity on batteries, especially the lithium iron phosphate line."*
~B2C PowerSports customer

Battery Tender ultimately helps me save money by protecting my batteries.

QUALITY

MARKET LEADER BRAND LOYALTY

TRUST

- *"I trust the name Battery Tender because it stands up to its quality. Battery Tender is simple, but highly efficient to do the job. Battery Tender does the job with safety and efficiency." ~B2C PowerSports customer*
- *"Keep on doing the such a great job. Your products are top-notch and trouble-free." ~B2C automotive customer*
- *"They have great products. The quality of their units is top notch" ~B2C PowerSports customer*

I can have peace of mind because Battery Tender's equipment works so extremely well.

- *"Called on a product problem. Had contact right back and they were concerned about the issue. Well-made products." ~B2C PowerSports customer*
- *"SUPER customer service. If Battery Tender keeps up the customer service as it has been I'll always be a customer. When I had a battery that died even after years of use, no questions asked replacement. That was all I needed to be a life long customer and proud to share with others." ~B2C PowerSports customer*
- *"When I ask customer service questions they answer quickly and correctly." ~B2C automotive customer*

Battery Tender's awesome customer support give me a reason to be loyal.

AUTHORIZED RESELLER PROGRAM PRICING STRUCTURE

Deltran Authorized Resale Partners. All partners are required to register. When you become a Deltran Authorized Resale partner you receive greater access to Battery Tender® and Hyperion® products and content.

As an Authorized Resale Partner, you can prevent price erosion, which allows for a greater return on investment, and gain access to expert content. You will also receive the designation of an Authorized Resale Partner.

BATTERY CHARGER Category

- All Battery Tender® battery chargers automatically switch from a full charge to a float maintenance charge mode keeping your battery at optimal charge levels and ready to go when you are. Ideal for ATVS, Boats, Motorcycles, Lawn Mowers, Jet skis and Automobiles.

SMART FEATURES

Quick Disconnect Harness

Connect and disconnect in seconds.

Spark Proof

For protection you can count on.

Reversed Hook-Up Protection

Checks for a correct connection before giving power.

Connect It and Forget It

Once connected, the charger manages your battery's health automatically.

Battery Tender® Plus 12V,
1.25 Amp 6V/12V Selectable.
Why Choose the Battery
Tender® Plus over the
Battery Tender® Junior? The
Plus 1.25 Amp delivers 50%
more power than a Battery
Tender® Junior which means
a much quicker charge.
Vehicles on the roads today
come standard with more
electronics, meaning a heavy
voltage draw from your
battery even when your
vehicle is turned off. The Plus
is strong enough to off set
the drain keeping your battery
at peak performance!

The Battery Tender® 3 AMP battery charger will fully recharge and then maintain a battery at its proper storage voltage without the damaging effects caused by trickle chargers. A higher output (3 amps) than the original Battery Tender® Plus for a quicker recharge on Automotive, Marine, and Power Sport batteries combined with the automatic switch to maintenance mode makes this unit very versatile. It is an ideal charger for everyday charging use or long-term storage and maintenance. Ideal for AGM, Flooded, and Gel batteries.
