

2020 CATALOG

At Outcast, we want to get you to where you want to go.

The best water usually isn't the most accessible. So, if you're ready to leave the crowds behind and go where the fish are, we can get you there. Outcast has a full array of boats and gear designed to deliver the access you desire.

Whatever your destination—still water or moving—there's an Outcast or Fish Cat model to suit your needs. Stalk early morning risers and lay out long casts in our best-selling float tubes. Go lightweight with one of our versatile, frameless pontoon boats. Or load your dry bags and coolers onto a US-made PRO Series raft or heavy-duty PAC pontoon boat for a serious multi-day drift.

The models are all unique and offer different fishing experiences, but they share a couple of things in common; they are built to last and are backed by our multiyear warranties. Quality, durability and excellent customer service are important to us, so if anything does go wrong, call us and we'll make it right, and we'll do it right away.

MAC SERIES

Simplified Transport & Set-up

Multi-Angler Crafts (MAC) can accommodate more than one angler, are easy to set-up, and don't require a trailer for transport. Boats in the MAC series are lightweight and are designed with minimal frame parts so anglers can quickly get out on the water.

OSG Striker ⚠️

Designed to facilitate quick water access for two anglers, this small and compact raft negates the need for a trailer and can fit in the back of a pick-up truck. The minimal frame and inflatable lean bar simplifies set-up so you spend less time tinkering and more time fishing. At 102 lbs., two people can comfortably carry the Striker to the water. The small raft design is great for maneuvering in rivers and a motor can be added for fishing in lakes and reservoirs.

Minimal Frame | \$2,799.00

OSG Ambush ⚠️

The Ambush is a frameless, 2 person pontoon boat that can tackle big rivers. No fish is safe from an Ambush! With a 1000 lb load capacity, the Ambush can be outfitted for long fishing expeditions. Spend your energy fishing instead of hauling your boat around because the Ambush only weighs 114 lbs. and has well-placed handles for two person lifting. The Ambush features an inflatable lean bar, front casting deck, IGS oar stands, built in floor, and pontoons designed to smash through rough water.

FRAMELESS SERIES

Easy to Take Anywhere

Our next-generation frameless boats are designed for anglers who place a premium on unfettered access. Weighing 50% less than our traditional pontoon boats, yet offering the same stability, these boats can be quickly inflated and are easy to transport to the put in. Bonus, they fit in a frameless boat bag (sold separately) for airline baggage check; take them anywhere.

IK Angler 11' ⚠️

New for 2020, the IK Angler 11' is a fishing specific kayak designed for avid fishermen who want to access more open water. Built for comfort, the adjustable seat will have you sitting above the water making casting a breeze and providing support for your lower back. It's lightweight, compact and includes a removable fin for superior tracking. The interior cargo loops are for lashing gear down and the Integrated Gear System (IGS) incorporates a movable base in a sleeve that accepts cargo pockets, rod holders, and anchor mounts.

Frameless | \$1,199.00

OSG Stealth Pro - IGS ⚠️

This is the lightweight boat for destination anglers who are on the water more than 30 days per year and want simplicity, a compact design, and versatile features. No frame to assemble, just inflate and go. The rockered ends help you slide through moving or still water with ease and the Integrated Gear System (IGS) offers multiple options for pocket and gear positioning.

Frameless | \$999.00

Fish Cat Scout - IGS ⚠️

The frameless design offers ultimate portability and simple, no-hassle set-up. It's stable in moving water and features a low profile for still water. It weighs just 35 lbs. and is compact enough for airline travel. The Integrated Gear System (IGS) offers multiple options for pocket and gear positioning.

 Frameless | \$699.00

OSG Commander - IGS ⚠️

The Commander is better than ever. The open bow has been widened to better accommodate foot fins and the stern can now be outfitted with a Scotty anchor lock. At 35 lbs this kayak-style travel boat is ready to go to any destination. It rides over waves and the low profile performs well in windy conditions.

 Frameless | \$999.00

Integrated Gear System (IGS)

The Integrated Gear System (IGS) incorporates a movable base in a sleeve that accepts cargo pockets, rod holders, and anchor mounts. Gear positioning options are plentiful with this adjustable system. Rod holder and pocket options secure in place with screws for quick installation or removal.

PAC PONTOONS

Top View of Frame

Personal Adventure Craft — Unsurpassed Excellence

Toughness, durability and reliability define our PAC series pontoon boats. These are full-featured, premium watercrafts, ready to take on big moving water or wind-whipped waves and swells on lakes and reservoirs. Every model comes with a simple lightweight aluminum frame, urethane bladders, internal anchor system, and an industry leading 10-year no-fault warranty.

PAC 800 ⚠

Designed for anglers under 175 lbs., this is our lightest weight PAC pontoon boat. The compact size maneuvers well on smaller rivers, but can handle the rigors of bigger water as well.

■ Comes with Frame | \$1,599.00

PAC 900 ⚠

An excellent all-around boat for anglers up to 300 lbs., the PAC 900 offers a sizable load capacity for all essential gear.

■ Comes with Frame | \$1,699.00

PAC 1000 ⚠

Our largest weight capacity pontoon boat can tackle big water and bring along a big load (up to 500lbs). Perfect for overnight trips on rivers, lakes and large reservoirs.

■ Comes with Frame | \$1,799.00

PAC 1200

This stable two-person pontoon boat offers excellent versatility and portability. Significantly lighter than our PRO rafts, it still features enough storage space and load capacity for multi-day trips. The front module of the frame can also be removed for solo use.

 Comes with Frame | \$3,499.00
